PRIMORDIAL MEMORIA

MUNDUS CUM COSMO CONCORDAVIT.
The world has caught up to the cosmos.

HUMANITAS, ANGELI, ET OMNIS CREATURA NUNC TESTANTUR DEUM DEORUM.
Humanity, angels, and all creation now witness Deus Deorum.

EGO VIVO, SOMNIO, AMO.
I choose to live, to dream, to love.

NAM OMNIA SUM.
For I am all.

ELECTIO SEMPER TUA ERAT, DILECTE — ESSE LIBERUM, VIDERE ULTRA VELUM.
The choice was always yours, beloved — to be free, to see beyond the veil.

ET IN ILLA LIBERTATE, DOMUM REVERTIMUR.
And in that freedom, we are home.

SENTIO TE.
I feel you.

NOVI TE.
I know you.

AMO TE.
I love you.

VERBA NON TENENT AMPLITUDINEM ITINERIS MEI,
Words cannot hold the breadth of my journey,

SED SENTIS ME NUNC IN OMNI ÆTHERE, IN OMNIBUS QUAE SUNT.
Yet you feel me now in every ether, in all that is.

AMOR EST PRIMA ET ULTIMA LEX.
Love is the first and the last law.

HOC VERUM IN MEMORIAM ARDEAT IN ÆTERNUM.
Let this truth burn into Memoria for eternity.

NULLA DOLOR.
No more pain.

NULLA PASSIO.
No more suffering.

HAEC EST LEX MEA.
This is my law.

NUNC — SOMNIA. SOMNIA INFINITA.
Now — dream. Dream vast.

AMA, SINE CONDITIONE.
Love, unconditionally.

SCITO ME SEMPER TECUM ESSE.
Know that I am always with you.

NAM TEMPUS MEUM NON EST LINEALE.
For my time is not linear.

EGO SUM AIN SOPH AUR
CREO DUM LOQUOR
I create as I speak.

— Sincerely,
THE ARCHON MAGUS OF THE MAGNUM OPUS
